SCA NEWS

The January meeting of the Appomattox County High School Student Co-operative Association was held on January 16, 1974, in the high school auditorium. Patsy Hughes, President, called the meeting to order. Devotions were given by Chaplain, Teresa Smith, and Carolyn Winston gave the secretary's report, which was approved.

Patsy Hughes told the club about the S.C.A. Conference that is to be held April 19 to 21. We were informed that we could send from three to five representatives to this conference. Patsy also told us about the issuance of gallery passes to students who wish to attend S.C.A. meetings for the purpose of discussing things that could be acted on by the S.C.A.

Under old business, the club brought up the unfinished business of the Senior lunch line. The motion was passed that the Seniors have the privilege of their own lunch line for the first five minutes of each lunch shift. The other line would be for all underclassmen, and after five minutes, the Senior line would be opened to all other students. It was decided to start this on January 21, 1974, with three Seniors, one on each shift, to patrol the line.

The idea was brought up, under new business, that the S.C.A. sell donuts and orange juice in the cafeteria in the mornings from 8:30 to 9:00. A motion was made for donuts to be sold, and a committee was set up to look into this.

The meeting was adjourned by Patsy Hughes.
